WHAT PEOPLE SAY

Dear Sean and Geraldine

Just to say a big thank you for the excellent evening that we spent at the Master Mariner last Thursday evening. The barbecue food was amazing, so much choice and a very warm welcome from Geraldine and yourself.

We will certainly be making another booking if you will have us!!

Once again many thanks from all the staff in staffroom E136

Dear Sean

I feel I must write formally to express my appreciation to you for organising the licensed bar and excellent buffet for the "Cambridge Mayors: 800 Years" concert last evening.

As ever, you did a tremendous job, and I am most grateful.

With Best Wishes

Yours sincerely

Robert

Councillor Robert Dryden

Mayor

Dear Sir/Madam

Mr Sean McDonagh has, on two occasions, provided a licensed bar and buffet food for civic events held in the Guildhall, Cambridge. On both occasions, approximately 100 people were present.

The quality of the food, together with its presentation, was of an extremely high standard. The amount of food on each occasion was generous and Mr. McDonagh was most helpful and reliable.

Yours sincerely
